

— WAY OF — LIVING

I'm **Swapnil Jakkan**

From Applied Art, 4th Year, 7th Semester. I'm listening to present you the Mini Project for '**Way Of Living (WOL) Association**' is a dedicated organization focused on raising awareness about the dangers and impact of various addictions.

Hello!

Way Of Living (WOL) Association.

WOL is committed to raising awareness about the dangers of addictions—ranging from drugs and alcohol to smoking, weed, mobile usage, and sexual addiction. Our mission is to empower individuals with the knowledge and support they need to overcome addictive behaviors and lead healthier lives.

Our Focus:

Awareness Campaigns: Educating communities on the risks of addiction and promoting mental and physical well-being.

Support Networks: Providing access to counseling, peer support, and rehabilitation resources.

Prevention Education: Implementing programs that prevent addiction, especially among youth.

Advocacy: Fighting stigma and encouraging open conversations about addiction and recovery.

Our Programs:

Youth Engagement: Educating young people about the dangers of addiction.

Community Workshops: Bringing together experts and survivors to share knowledge and strategies.

Digital Detox: Helping individuals manage mobile and internet addiction.

Holistic Support: Offering services that promote overall well-being and long-term recovery.

Join us in creating a healthier, addiction-free society.

ID Card & Cap Design

ID card and cap design target employees, students, event staff, security personnel, team members, and brand ambassadors for identity and promotion.

AWARENESS ON WEED/SMOKING ADDICTION

I'm 90's Kid

Reading newspapers and
Using gadgets is my addiction and
I am fully aware of everything.

I'm 20's Kid

Smoking weed is a source
of addiction for me and
it brings me a sense of
the world and the universe.

**Addicted to the Headlines or the High?
ONLY ONE LEADS TO CLARITY.**

Tips for withdrawal?
Stay hydrated, exercise, eat healthy, seek support,
maintain sleep routine, avoid triggers, distract yourself,
practice mindfulness, and be patient.

Social media advertising is targeted to specific demographics, interests, & online behaviors, reaching users based on personalized data and engagement.

NEWSPAPER

Newspaper advertising is targeted to a broad audience, including local communities, professionals, and readers interested in news, features, and advertisements.

HOARDING

Hoarding advertising is targeted to a broad audience, including pedestrians, commuters, and drivers, maximizing brand visibility in high-traffic areas.

KIOSK DESIGN

Kiosk design ads target shoppers, pedestrians, travelers, and event attendees, offering brand visibility, product info, or services in high-traffic areas.

AWARENESS ON ALCOHOL ADDICTION

I'm 90's Kid

Our addiction is to talk, share stories, and gain wisdom because they understand that strength is found in connection and family.

I'm 20's Kid

Drinking serves as my addiction to forget because it's simpler to numb the pain than to confront it.

**Connection Builds, Alcohol Breaks.
WHICH PATH WILL YOU TAKE?**

Tips for withdrawal?

Avoid triggers, seek support, stay active, replace alcohol with healthy habits, manage withdrawal, and celebrate progress.

POSTERS

Poster advertising targets specific audiences like the general public, youth, professionals, health-conscious individuals, community members, and niche interest groups.

STACKED CUBE'S AD

Stacked Cube's ad is targeted to tech enthusiasts, businesses, startups, innovators, and developers seeking creative, efficient software solutions and services.

MAGAZINE AD

Magazine ad design targets readers, potential customers, niche audiences, industry professionals, and brand followers to promote products or services.

AWARENESS ON MOBILE ADDICTION

I'm 90's & Early 20's Kid

Our addiction is playing with friends and siblings. At times, we fight with our friends and siblings over toys.

I'm 20's Kid

Playing mobile games is our addiction. We can fight with our friends and siblings over the phone at times.

Play Beyond the Screen. BUILD BONDS, NOT DIGITAL WALLS.

Tips for withdrawal?

Set screen limits, disable notifications, replace phone time with hobbies, stay active, seek offline connections, and practice mindfulness.
